

POINTS NORTH PT POLICIES FOR PREVENTION OF COVID-19

1. For the health of other clients, and for my family's and my health, **please do not enter the treatment room if any of the following has occurred:** 1) You have a fever, cough, chills, or you are not feeling well today. 2) You or someone you live with have travelled out of Vermont in the past 14 days. 3) You or someone you live with have had an exposure to someone infected with COVID-19 in the past 14 days.
2. I will review policy #1 with you before you enter the treatment room.
3. Only the scheduled client will be allowed in the treatment room as I am currently limited to a very small space. In the case of a minor, the client and one adult, who must be a parent or guardian, will be allowed in the room.
4. Face coverings are required to enter the treatment room and are the responsibility of the client. I unfortunately cannot spare a mask.
5. The facility at this time is limited to the treatment room and outdoors only. The gym and waiting area are unfortunately unavailable until further notice. The bathroom is only available in the event of an emergency. Please use a rest room prior to arriving for your appointment, and please wear comfortable clothing for treatment.
6. I will open and close the door for you upon your entry and exit. Please use the hand sanitizer upon your entry and right before your departure.
7. If you have any questions or concerns about the steps I am taking to keep you and the facility safe, please ask! I just want you to feel comfortable and get what you need from your visit. Thank you!!
